

EDDIE BITAR

BIOGRAPHY

In just over a year, Eddie Bitar has carved out a significant place among the world's most respected dance music producers. Canadian with Lebanese roots, Eddie's rare combination of talent, professionalism and inventive genius, blends melodic Trance, groovy Tech, and progressive Psychedelia into a distinctive sound that resonates across the globe. His innovative style has garnered support from industry heavyweights like Armin van Buuren, Vini Vici, Paul Van Dyk, Neelix, Simon Patterson, John O'Callaghan, and Aly & Fila, among others.

Eddie's energetic performances have taken him to some of the hottest clubs and festivals worldwide, including Ministry of Sound, EDC, Universo Paralello, Avalon & Exchange LA. His international tours have spanned Ibiza, Argentina, Brazil, the US, Mexico, the UK, The Netherlands, Australia, Indonesia, Malaysia, Japan, Germany, Italy, and Ireland, solidifying his reputation as a global ambassador for dance music.

A prolific collaborator, Eddie has teamed up with renowned artists in the Psytrance scene, including Zyce, Major7, Coming Soon, Talpa, & Metronome, with several tracks reaching the #1 spot on Beatport's single sales chart.

Currently in the studio, Eddie is diligently working on his artist album, featuring an array of original tracks and collaborations with Egorythmia, Tijah, Becker, and Special M. Fans can look forward to an album tour, with select dates set to be announced in mid-2025.

As the founder and mastermind behind Dinamode Records, a sub-label of Black Hole Recordings, Eddie is committed to producing and promoting cutting-edge tracks that dominate Beatport charts and streaming platforms.
